This pamphlet implements Air Force Policy Directive (AFPD) 11-2, *Aircraft Rules and Procedures* and AFI 11-2C-17V3, *C-17 Operations Procedures* and the applicable *AFI 11-2MDSV3*, Chapter 3, for the appropriate aircraft. It establishes the 446th Operations Group (446 OG) procedures for alerting aircrews. It applies to all crewmembers assigned to the 446th Airlift Wing (446 AW).

1. Procedures. The following procedures are applicable:

- 1.1. The responsibility of showing up on-time rests with each crew member.
- 1.2. All crewmembers on missions and/or locals will be alerted by telephone from Mission Control unless other arrangements have been made (i.e., crew member has initiated the alert). If the individual is anywhere other than home (i.e., lodging, squadron, work, etc.), they must call Mission Control prior to alert, with their location and phone number.
- 1.3. Crewmember initiated alerts will occur no earlier than two (2) hours prior to "legal for alert" alert time.
- 1.4. Telephone alerts will start no earlier than 15 minutes prior to "legal for alert" allowing for completion by alert time.
- 1.5. If unable to alert a crew member, notify the following:
 - 1.5.1. Non-duty hours: In accordance with the On-Call Roster Procedures.

1.5.2. Normal duty hours: The duty section for the crew position of the squadron operating the mission.
